

Who are the Friends?

The Friends of the Romulus Public Library was created in the late 1970's. The group is made up of people living in and around Romulus and Huron Township who believe excellent library services are important to everyone.

What do the Friends do?

The Friends of the Romulus Public Library serve as advocates for the library within the communities. They are helping to shape the future of learning and living in our community by supporting excellent library services.

Money raised by the Friends through annual membership dues, used book sale, and other fundraising activities supplement the library's day-to-day activities by providing funding for library programs, library improvements, and library services for all ages throughout the year.
